ABOUT ECI LIGHTING

ECI Lighting was originally established as the Electrical Company of Ireland by the Hanratty family in 1960.

In 1968 ECI Lighting opened a state of the art three storey dedicated architectural lighting showroom in Marlborough Street in the heart of Dublin city centre and rapidly became renowned for their knowledge and expertise in the lighting industry.

By the late 1980s the company had become a major distributor of lighting products to the wholesale industry, with sole distributorship of major brands such as Sylvania, Fumagalli, Megaman, Prelux LED and Venture in Ireland.

Today ECI Lighting operates from premises in Dublin, Belfast and Cork while also supplying to a rapidly growing network of wholesale groups in the UK.
